

Clayton Engineering Company

Credit Application

Page 1.

Thank you for downloading our credit application. It should take you just a few minutes to complete. When you are finished please email it back to us at info@clayeng.net, or fax to 304-233-4626. Be sure to include this cover page.

Most of the time it takes us less than an hour to open your account as we use Dun and Bradstreet's Credit Reporting Services. If for any reason the D&B report is incomplete or not available we will need your references to get an update. If this is the case it may take up to five (5) days before your account is approved. If for any reason we need additional information we will contact you.

If you have questions about your application or our process please feel free to call us at 1-800-252-9866 and ask for our credit department.

Thank you
